

Parking for Pike Market Medical Clinic

Per Debra Morrison, Clinic Manager: FLS interpreters will be given \$5 parking stickers for parking in the Market Parking Garage. They can get the sticker when they turn in their vouchers for services to the Front Desk Receptionist. That will work for up to 2 hours in the garage, which should cover virtually all appointments.

The garage is convenient to both the Main Clinic and the Annex.

Park It at the Market!

Parking is more convenient and plentiful than you might think! The Market's parking garage offers a variety of parking options, including special rates at certain times of day, and even free parking for shopping trips under an hour.

Located at 1531 Western Avenue, the garage offers covered parking and is connected to the Market's Main Arcade by an elevator and skybridge walkway.

On Pike Place

Some free parking is available along Pike Place (the street that runs through the Market), but competition is fierce and it's tough to find a spot. If you should try Pike Place and not find a spot, it's easy to turn left on Western Avenue at the north end of Pike Place. You'll then find plenty of metered street parking, pay parking lots, and the Market's garage all within a few short yards.
